ALL PROFITS TO ACCORD HOSPICE
Registered Charity SC013682

The ACCORD Hospice has helped many thousands of people from within the Renfrewshire Community since it was founded in 1982.

The Hospice exists to enhance the quality of life for those suffering from cancer and other life threatening illnesses, and to support their families at what can be a very distressing time.

Our aim is to provide practical, physical and emotional support through the provision of highly specialized palliative care (both within the Hospice and to patients in their own homes), which is completely free of charge to everyone in the area regardless of their circumstances.

Latest figures published in the National Press, and well documented on TV, suggest that 1 in 3 of us will be affected by cancer.

Maybe you, or the person sitting next to you as you read this, will need our care one day.

The demand for our services both within the Hospice and in the community is ever growing, and it is increasingly difficult to meet all requests for assistance, mainly due to financial pressures.

We are largely dependent upon voluntary donations, this year alone we need to find over £2.2 million just to maintain our current level of care. The ACCORD Hospice Lottery plays a vital part in helping us to achieve our targets by encouraging the local community, the community which benefits exclusively from our services, to support our work in bringing relief to people with cancer in Renfrewshire and areas of East Renfrewshire.

help us to help you

You can really help, simply by supporting our Lottery. ALL profits go directly to the Hospice. We need to raise much needed funds to meet the existing and future expenditure of our vital work, whilst at the same time giving you the opportunity to be a "REAL WINNER WITH US"

how it works

Entry is only £1 per week and is paid in advance, therefore, only the payers can be players with a chance of winning! Each member is given a unique 5 digit number which is exclusively theirs and always remains the same. Every Friday the computer selects at random 41 numbers from paid up members, and the prizes will be:-

first prize

£1,000

guaranteed every week

The remaining numbers (40) each win £5. No need to claim! All cheques will be posted direct to winners every week.

Every week Winning Numbers will be announced in the local press and on ACCORD's Website www.accord.org.uk Lists will also be displayed in all ACCORD shops, the Lottery Office and in the reception area of the Hospice.
