

DAY HOSPICE

Day Hospice offers medical, nursing and spiritual support to 20 people daily. The friendly atmosphere encourages social interaction with therapeutic and creative activities, whilst, at the same time, providing respite to home carers. Transport to and from Day Hospice is provided by the Hospice.

HOME CARE

Five ACCORD community based Clinical Nurse Specialists provide support to patients and carers during illness and bereavement. They advise on pain relief and other distressing symptoms, helping to maintain the patients independence for as long as possible. The team also act as educators to patients, carers and colleagues.

IN-PATIENT UNIT

ACCORD has a busy 8 bedded In-Patient Unit. Our aim is to improve the quality of life of each and every patient and of the 160 admissions to our unit in the past year, half of them returned home again to the care of their families.

ACCORD Hospice is an independent charity providing free medical and nursing care to people, whose illness is causing physical pain and emotional stress and for whom curative treatment may no longer be appropriate, within Renfrewshire and parts of East Renfrewshire.

Our aim is to relieve pain, to ease suffering, to restore dignity to the patient and to respond to the needs of the whole family in a partnership of care.

As an independent charity, the Hospice depends on voluntary donations and contributions to continue its work. All donations and contributions are gratefully received and acknowledged.
