

April 2019

Dear ACCORD Supporter

Hello and welcome to the spring edition of the ACCORDian which features stories about patient care, our staff, our supporters and includes the latest news and updates from the hospice.

Inside this edition you can find ...

- The Inpatient Unit refurbishment - the staff perspective...
- The 'Corridor' project!
- Latest income generation developments shops and lottery
- New editions to the ACCORD team!

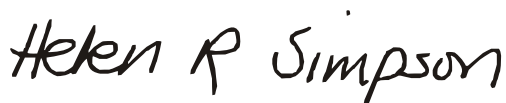

We are always looking at ways to develop and improve services for our patients and their families, whether that's at the hospice site, or out in our local communities via our many outreach services. We are also working on new ways to reach out to people who may not traditionally access hospice care. Our ultimate aim is to be there for anyone who needs our support. We cannot do this, and continue to provide the specialist care we give to hundreds of patients and their loved ones, without your kind support in helping us raise the £5,000 we need every day to keep our services running. Every day we see the difference it makes, and we are extremely grateful.

The start of a new year ('financial year' -1st April) is always a good time to look ahead at what's coming up, and I'm really excited about what 2019 holds for ACCORD.

The Fundraising Team have been busy planning lots of activities in which you can get involved, ranging from events like our Girls Night Out, Rainbow Ramble and the Summer Fayre, and lots of different sporting events like the Paisley 10k, the Kiltwalk and our Golf Day. You can find information on our website at www.accordhospice.org.uk or call us on 0141 581 2000.

I hope you enjoy reading this edition of the ACCORDian and please do remember that we are always happy to visit and talk to groups or to welcome groups to the Hospice, and if you would like to know more about our care and service provision please get in touch.

With all best wishes

Helen R Simpson
Chief Executive
